## CHANGING CHANNELS

Use ∧ ∨ to scroll through the channels until you have reached your desired channel.

PLEASE NOTE: Channels 16-22 are LISTEN ONLY

DUAL DISPLAYS

- The V3 normally displays a single channel, but it has the capability to display two channels. This is useful if you continuously switch between channels, or need to monitor 2 channels at once.
- To turn on the second channel display press **FUN, 6, FUN**. Then press ∨ to turn on. Press **FUN** to save and **EXIT** twice to leave the menu. To alternate between the top and bottom channels, press **A/B**.

FREQUENCY B

KEYPAD LOCK/UNLOCK

- To manually lock the keypad, press and hold * **(lock)** on the bottom left of the face of the radio until the lock symbol 🔒 appears. To unlock, press and hold * until the lock symbol disappears.
- To turn on Auto Lock press **FUN, 1, 4, FUN** followed by either ∧ ∨ and **EXIT** to leave the menu. This feature locks the radio keypad if there is no key operation for 5 seconds.
